GEOG 300																	
GEOG 301																	
ARTH 300																	
PHIL 300																	

The courses listed above are sample courses: actual course offerings may vary, but will satisfy ARC graduation requirements. This course pattern does not meet all requirements for graduation. All of the courses listed above, with the exception of GEOG 301, are 3 unit classes. GEOG 301 is a 1 unit laboratory class.

Total units in the ACE program = 46 units

Additional units needed for A.A. degree* = 14 units

Total = 60 units

*See a counselor for additional requirements for AA degree and graduation requirements.

**Prerequisite must be completed prior to enrolling in this course.

The Ethan Way Center will offer courses to further the progression of students in each type of program (i.e. ACCT, Stat, other electives). These courses will be offered in either 8-week or 16-week formats, and may meet either two evenings a week, or one evening and one Saturday per week.
