CRIME PREVENTION THROUGH ENVIRONMENTAL DESIGN

COURSE DESCRIPTION: Crime Prevention Through Environmental Design is a 40-hour course intended for police officers, crime prevention practitioners, private security, code enforcement officers, planners, and architects. Students will explore the application of CPTED to existing and planned developments, including the use of site visits, CPTED reports, lighting evaluation, the Planning Process, plan reading, and CPTED application to special locations. The course is conducted as a workshop with a great deal of hands-on experience, and students will leave the class with a completed personal strategy for the application of CPTED to their jobs.

PREREQUISITES: Successful completion of Basic Law Enforcement Academy or equivalent as determined by Dean.

MATERIALS NEEDED:

- 1) Each student needs to bring a digital camera and appropriate accessories. Members of law enforcement attending this course are urged to also bring a developer or planner from their agency.
- 2) Laptop is strongly recommended with thumb drive.
