PC 832 ARREST, SEARCH & SEIZURE

COURSE DESCRIPTION:

PC 832 Arrest, Search and Seizure is a 40-hour course designed to satisfy the requirement for Peace Officers, identified in Sections 830.10 and 830.11 of the Penal Code. Subjects include: Orientations, ethics, discretionary decision-making, arrest, search, seizure, communications and examination. In order to meet P.O.S.T.'s minimum arrest techniques requirements, this course involves stressful physical activities that require full use of arms and legs with no back or other medical impairments. This certified PC 832 course, which is designed specifically for Peace Officers, does not qualify students for certification as registered guards and/or armed registered guards with the Department of Consumer Affairs.

Because this course is designed to provide practical hands on training in police tactics and weapon usage, participants in this course will engage in physically demanding classroom training exercises that include a risk of injury to the participant.

Attendance is mandatory. No late arrivals or absences are permitted.
